

CHAMPIONS PROJECT

Children in Homeless Accommodations Managing
Pandemic Invisibility Or Non-inclusive Strategies

Can you help us?

To know more →

We are researching the effect of COVID and lockdown on children experiencing homelessness while living in temporary accommodation.

Do you have:

1. Experience of living in temporary accommodation or experiencing homelessness.
2. While caring for a child under 5,
3. During COVID-19?

If yes to all three, please contact us.

We are offering Love2Shop vouchers as thanks for completing a survey and/or interview.
